

Following the recent closure of P1 car park, from 7am on Wednesday 15 September the Elizabeth Street entrance of the hospital will also permanently close. Please use alternate hospital entry points at **Entrance L**, **Entrance J** or **Entrance N** as shown below.

#### Upcoming changes from Wednesday 15 September:

- **Entrance B closure:** The Elizabeth Street entrance (**Entrance B**) will permanently close along with the foyer area and lifts (Lift A). Visitors may use alternate hospital entry points as shown below.
- **Entrance B drop-off zone:** The drop-off zone at Entrance B will permanently close as construction hoarding is installed, preventing all pedestrian and vehicle access to the **construction zone** shown below. Please use alternate drop-off zones at Entrance L and Entrance J.
- **Elizabeth and Goulburn Street:** The **construction hoarding** line will be extended along Elizabeth and Goulburn Streets in order to isolate the construction zone for future demolition works. Footpath access will be maintained. *This will not impact access to the Emergency Department or the drop-off zone on Elizabeth Street.*

**KEY**

	Hospital entrance		Alternate drop-off zones		Parking
	Construction hoarding		Construction zone		No entry

Please note that the timing of works may be subject to change.
