

P2 CAR PARK CHANGES

INFORMATION SHEET | DECEMBER 2020

Works will now commence on construction of the new \$50 million multi-storey car park as part of the Liverpool Health and Academic Precinct project. A range of changes will be implemented to support these works.

Stage 1 – 10pm Tuesday 8 December to midday Wednesday 9 December

Works will be undertaken to reconfigure traffic flow in the multi-storey section of the P2 car park to a clockwise direction with supporting signage. **There will be no further access to the P2 on-grade (outdoor) parking area from 10pm Tuesday 8 December.** Any vehicles parked in this area will need to exit from Burnside Drive the following day. Installation of boundary hoarding for the new construction site will permanently remove pedestrian and vehicle access to the on-grade parking area. *From this time, all access to P2 car park will be via Forbes Street (until completion of the new multi-storey car park in 2022).*

Stage 2 – Wednesday 9 to Tuesday 15 December

Site set-up for the car park construction zone (identified below) will prevent pedestrian access to Entrance J/K from the multi-storey car park. A temporary pedestrian route will be in place through the existing on-grade car park to facilitate pedestrian access from Burnside Drive. A new footpath connecting Burnside Drive to Entrance J will also be constructed during this time, which will be operational from Wednesday 16 December.

Concerns or questions?

If you have concerns or questions, or if you identify any hazards, please contact the LHAP team by phone on (02) 8738 6670 or email SWSLHD-LHAP@health.nsw.gov.au

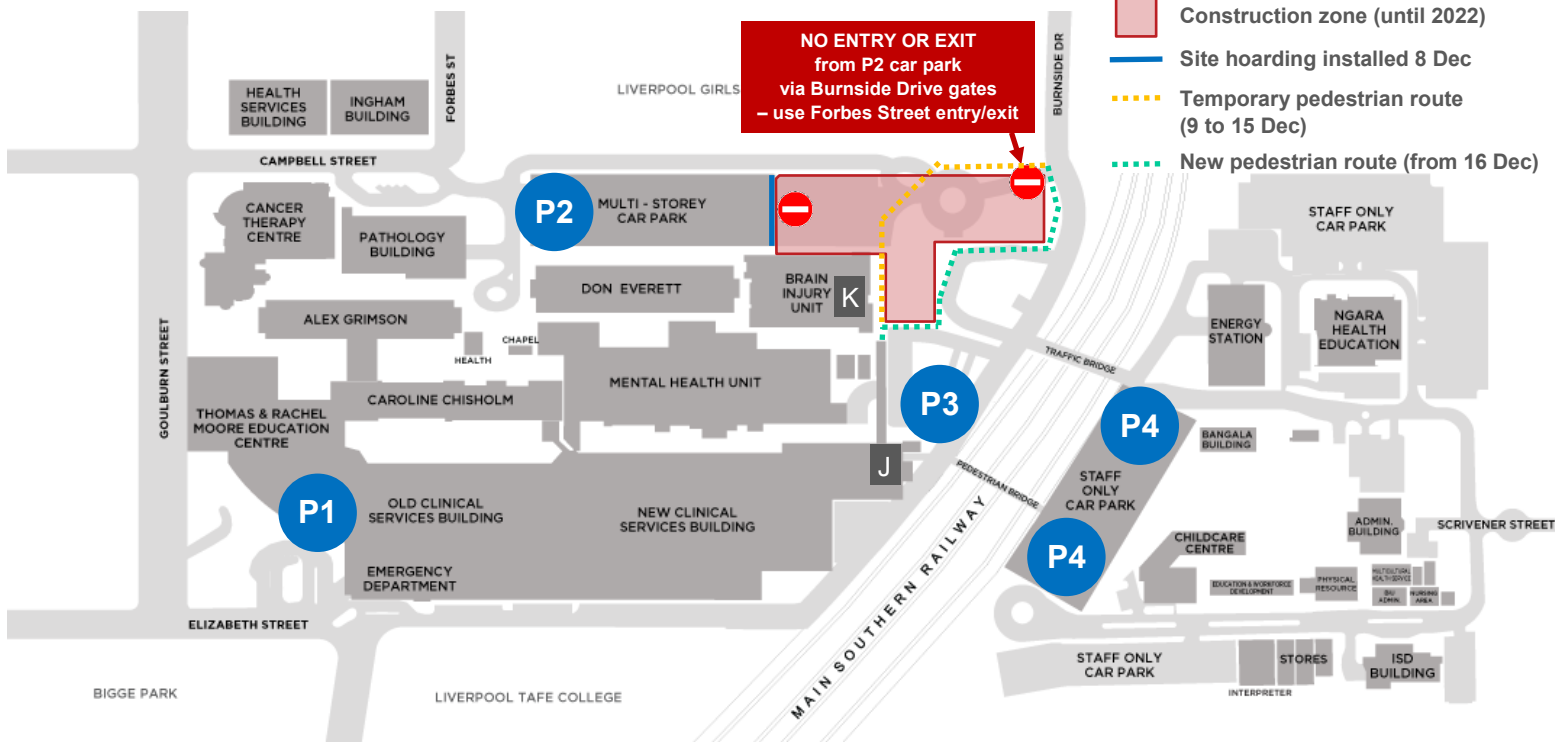

SUMMARY OF IMPACTS

- Changed traffic flow in P2 multi-storey car park from 8 Dec
- No access to on-grade section of P2 from 10pm on 8 Dec
- Temporary pedestrian route in place from 9 to 15 Dec
