

STAIR CLOSURE

INFORMATION SHEET | JULY 2021

From Monday 2 August, the Entrance B stairs providing access to Level 1 (including the General Manager's Unit) will permanently close to enable construction hoarding installation and site establishment.

Alternate access routes from Entrance B to all levels will be via Lift B (14 & 15) along the main concourse (next to the newsagency), as shown below. Staff can access all levels using Lift X (16, 17 & 18) via the staff only corridor.

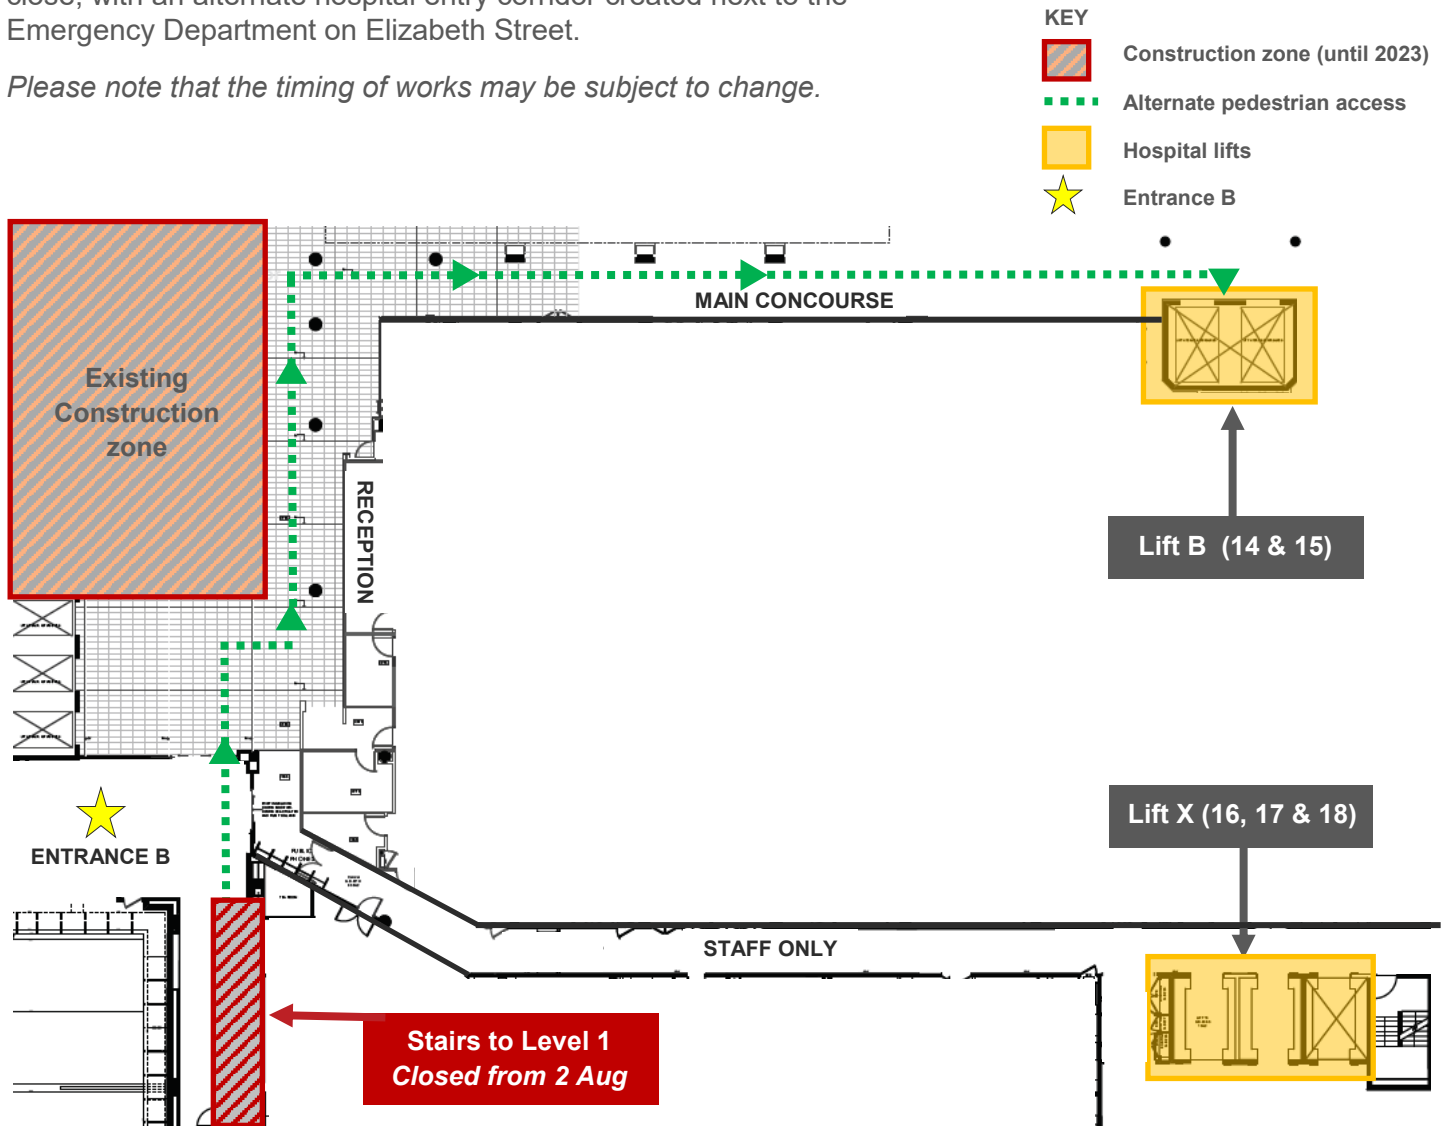

The stair closure is the first of many changes scheduled throughout August in preparation for construction of new hospital buildings. In the following weeks, the entrance foyer and lifts will close, with an alternate hospital entry corridor created next to the Emergency Department on Elizabeth Street.

Please note that the timing of works may be subject to change.

PERMANENT ARRANGEMENTS FROM MONDAY 2 AUGUST:

Alternative access to all levels will be via:

- Lift B along the main concourse, next to the newsagency.
- **STAFF ONLY:** Lift X via staff only corridor.

THANK YOU FOR YOUR PATIENCE AS WE BUILD THE LIVERPOOL HEALTH AND ACADEMIC PRECINCT
