

NEW ROAD AND ACCESS CHANGES

INFORMATION SHEET | FEBRUARY 2021

Works on the new hospital road between Burnside Drive and Elizabeth Street are now complete.

From 10am Monday 8 February, access through this roadway will be managed via boomgates located adjacent to Entrance J and at the hospital loading dock entrance on Elizabeth Street.

An intercom system supports patient and patient transport vehicle access to Entrance G and Clinic E services via the Burnside Drive entry point. Users will need to advise their arrival for access to the relevant service, with no through traffic permitted. Loading dock access is also via this entry point.

Note: There is no access to P3 car park, P4 (Eastern Campus staff car park) or Burnside Drive from Elizabeth Street. Please use Burnside Drive for access to parking areas, Entrance J, Isolation Dialysis, Transit Lounge, Clinic E and the loading dock.

Vehicle entry through the Elizabeth Street boomgate is restricted to emergency services and delivery vehicles 8.8 metres and over to support safe emergency vehicle movements in the area.

Concerns or questions?

If you have concerns or questions, or if you identify any hazards, please contact the LHAP team by phone on (02) 8738 6670 or email SWSLHD-LHAP@health.nsw.gov.au
