

TEMPORARY CLOSURE OF LINK ROAD

INFORMATION SHEET | JANUARY 2021

From Tuesday 12 January to Sunday 7 February inclusive, urgent works on the new link road between Burnside Drive and Elizabeth Street require temporary redirection of access to various services.

Temporary barriers will be in place adjacent to Entrance G and Entrance J, with no through-traffic permitted (refer to map below).

Please note that previously implemented access routes will be impacted. For the duration of works, there will be no access to Loading Dock, Isolation Dialysis, Transit Lounge and Clinic E from Burnside Drive.

Note: As previously advised, there is no access to P3, P4 (Eastern Campus staff car park) or Burnside Drive from Elizabeth Street, with the exception of emergency vehicles, and this restriction will remain in place following completion of the urgent road works.

From Monday 8 February, previous access arrangements will be implemented, restricting vehicle travel along Elizabeth Street to support emergency vehicle movements in the area. There will be no access beyond the boom gate at the loading dock after this time.

Concerns or questions?

If you have concerns or questions, or if you identify any hazards, please contact the LHAP team by phone on (02) 8738 6670 or email SWSLHD-LHAP@health.nsw.gov.au

TEMPORARY ARRANGEMENTS FROM TUESDAY 12 JANUARY TO SUNDAY 7 FEBRUARY
