

**Opening November 2024:**  
The new Liverpool Hospital building is the first stage of the Liverpool Health and Academic Precinct (LHAP) redevelopment.

**Here's what you need to know!**

### Important access changes

Access to Liverpool Hospital will now be available on Goulburn Street, and includes:

- **New public entrance:** Entrance A
- **New drop-off/pick-up zone**
- **Parking:** P1 will reopen off Goulburn Street.

### Getting to the new entrance

**Vehicles and pedestrian access:** The new public entrance is accessible via Goulburn Street, with the best parking available at P1.

**Public transport:** The bus stop remains at the corner of Elizabeth and Goulburn Streets, near the new entrance.

**Parking:** Liverpool Hospital parking is accessible via **P1** on Goulburn Street, and **P2** and **P3** on Burnside Drive.

Visit *Information Desks* for assistance with navigating the new hospital.

### Patient appointments

Please read your appointment letter carefully for information about the most suitable parking area, drop-off zone, building entry and level. For more information, visit the Liverpool Hospital website or call ahead to talk to staff before your appointment.

and Academic Precinct

# LIVERPOOL HOSPITAL - STAGE 1

## New Integrated Services Building

Opening in **November 2024**

## Introducing the new Liverpool Hospital building

The NSW Government is investing \$830 million in the redevelopment of Liverpool Hospital including a new car park, providing a major expansion and upgrade of essential health services for the Liverpool community.

The Liverpool Health and Academic Precinct redevelopment is being delivered in two stages. **Stage 1** includes:

- State-of-the-art Birthing and Neonatal Intensive Care Units
- A new Emergency Department entrance opening 2025
- A centralised Pathology Department
- Enhanced outpatient and support services including Cancer and Haematology Services.

**Stage 2** of the redevelopment is expected to be completed by 2027, with ongoing renovation works occurring progressively within the existing hospital throughout the project.
