

MOVE

THE NEW HOSPITAL BUILDING IS OPENING ON 28 OCTOBER!

As our departments prepare for their upcoming moves, here's what you need to know!

Important access changes

Access to Liverpool Hospital will be available from Goulburn Street, and includes:

- **New public entrance:** Entrance A
- **New drop-off/pick-up zone**
- **Parking:** P1 will reopen off Goulburn Street.

For more details, [download](#) the Stage 1 flyer.

We encourage you to share this information widely with both staff and patients as we approach the opening and beyond.

Head to page 2 to find out when departments are moving...

WHERE CAN I FIND INFORMATION ABOUT THE OPENING?

The [Countdown to Opening](#) page is a handy resource to bookmark, containing all the latest materials to help you communicate hospital changes with the community and patients leading up to the opening, as well as details about department relocations afterward.

There is a range of available materials for download, including the **maps**, **fact sheets**, move schedule and **information** on the project.

WHAT DEPARTMENTS ARE MOVING?

Week of 21 October

Department relocations this week include...

- Infectious Diseases Administration Services
- Biomedical Engineering
